CHILHOWEAN

such is the road we have taken.

engaged in search, we dare  
to approach the essence  
of life.

$$1+2=3$$

learning to recognize the relevant,

we acquire knowledge,  
alone, with a friend,  
or in a group.

intimidated by the  
burden of choice,  
we define ourselves.

after the shudder  
of disappointment passes  
or the swell  
of joy subsides, we feel older  
and realize suddenly that  
we are.

we have been shown ourselves,

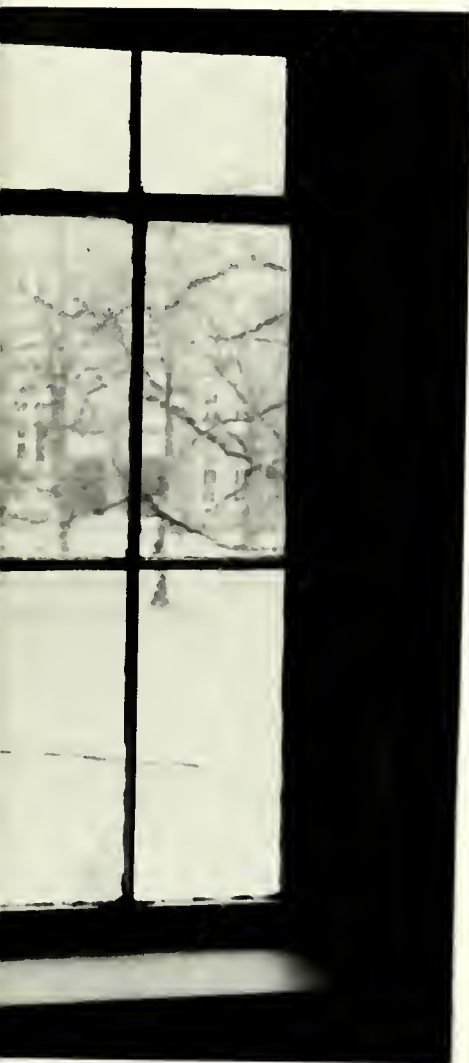

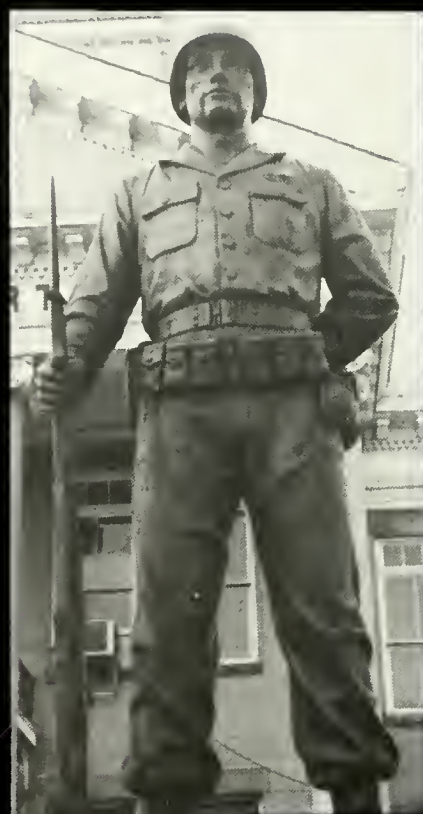

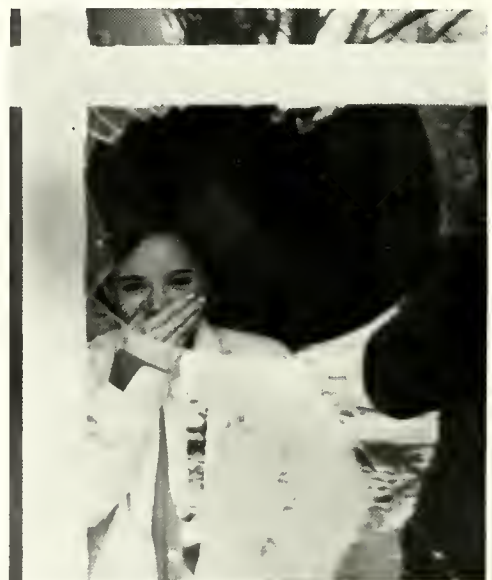

we now focus on that larger world

where humanity will be demanded,  
identities redefined.

have we learned  
to reach  
to touch  
to be and  
to become?
